

Golf Course Rules

- Slow play (over 4 hours for 18 holes) will not be tolerated. Slow players shall allow faster players to play through. Groups may be asked by the ranger to move ahead or leave the course if pace is not maintained.
- Four players are the maximum per group.
- Shirts must be worn within 150 yards of the clubhouse.
- Players leaving Number 9 green have preference over starts on Number 10 tee unless an official starter is controlling course play. Players who stop at the clubhouse upon leaving Number 9 relinquish their priority on Number 10.
- Members are allowed to bring guests to LRCC. Guests must be with a club member in order to golf or utilize the clubhouse. Guests are limited to six times of play and must pay greens fees. Members are responsible for their guests paying greens fees, slow play, and conduct at your club.
- Tuesday is designated as Ladies' Day. No men or children are allowed to tee off before 1:00 p.m. on any Tuesday. Men and children shall not use the clubhouse or be on the grounds, except for the men's locker room, prior to 1:00 p.m. EXCEPTION: During April and October, men are allowed to play and use the locker room beginning at 12:00 p.m.
- Thursday is designated as Men's Day. No women or children are allowed to tee off or continue play on Number 1 or Number 10 after 10:00 a.m. Women and children shall not use the clubhouse after 10:00 a.m., except that women may use the women's locker facilities.
- Non-metal spikes are mandatory for members and their guests. Please be sure to advise guests of this before coming to the course. Please note the non-metal spikes can cause slipping under certain conditions. Be sure to exercise caution and common sense on wet and steep areas.
- Tee sheets will be posted seven days per week and one week in advance. Please call to cancel or change your tee times as soon as your plans change.

Cart Rules

- Effective April 1, 2001, all carts purchased for use on LRCC golf course must be electric. Members who currently own gas carts are still able to use their carts. However, if you are replacing your cart for ANY reason, you are required to change to electric.
- Keep carts 40 yards from the green at all times. Do not drive to or park to the inside of the sprinkler head closest to the green.
- If you see orange markings, do not drive over that area.
- Stay away from brown or worn areas.
- Please do not drive on the edges of the fairway. Scatter when leaving tees or the path and drive to your ball.
- Stay 40 yards to the right of #12 outside the tree line.
- Carts should not be driven across the patio at any time.
- Only two riding cards per foursome and only two people on each cart at all times.
- Be sure to close and lock the cart shed doors.

****Failure to observe any of these policies may result in loss of playing privileges.****
